## **Parent and Family Engagement Plan Summary**

**2022-2023**

### **Parent and Family Engagement Mission Statement**

Academy for Positive Learning holds the belief that family engagement is one of the key components of a successful student, teacher, and school. We want to inspire our parents with innovative best practices to motivate and encourage involvement in their child's academics. To reach our goal Academy for Positive Learning will build trust and support parent's training-learning that will engage our traditional and non-traditional parents.

### **Annual Title I Meeting**

Each year, families are invited to attend this meeting at the beginning of the school year to learn more about our school wide Title I Program and the requirements of Title I. Our meeting will be held on October 7, 2022. The recording of the meeting will be posted on our school website so parents who cannot attend and view it and do a survey afterwards.

### **Accessibility for all Families**

We encourage all families to attend meetings and events and provide supports needed so all families are able to participate. We provide translated documents in English, Spanish and Creole, accessible meeting space, and specific meeting day and different times. Please notify the school if other assistance is needed. We want all families to be a part of their child's education!
